

Brownies (1)

1 cup plain flour

1 tsp salt

1 cup caster sugar

1 cup brown sugar

1/2 cup cocoa

1 tsp vanilla paste

1 cup oil (I use canola or grapeseed as it has no strong taste)

4 eggs

1/4 cup cold water

Preheat oven to 160C.

Grease a 13"x9" baking pan and line with baking paper. Beat all ingredients together on low speed, scraping down sides of bowl, until smooth. For Thermomix - mix all ingredients at speed 6 for 30 seconds. Pour into pan and bake for 30 minutes - no longer. When cool cut into squares.
